

KANSAS CLANDESTINE METHAMPHETAMINE LABORATORY SEIZURES

(1994 Through 1997)

Year	Number Meth Labs Seized Statewide
1994	4
1995	7
1996	71
1997	99

Note: Kansas law enforcement did not fully participate in the EPIC Clandestine Laboratory Database program until 2001. The numbers listed here reflect those tracked internally at the KBI by the Midwest HIDTA State Analyst. Only year-end totals are available for each year; individual county statistics are not available.
